

Pearson English 2025 Catalog

Courses, Assessments
and Certifications for
Adult English learners

Welcome to Pearson English Journey

Empower your learners
to be themselves in English

The Pearson English Journey has been expertly designed over 25 years to build English learners' confidence and fast-track their progress. Powered by the Global Scale of English, Pearson's connected suite of courses, assessments and certifications boosts English learners' enjoyment and motivation to learn English so they can experience and demonstrate success.

Pearson English Journey

Courses

That are engaging and relevant to learners

Assessment

To build learners' confidence that they are progressing

Certification

To celebrate learners' achievements

Underpinned by

Global Scale of English > Fast-track your progress

Increase motivation

Engaging and relevant courses with content that motivates and inspires learners.

Expertly designed, guaranteed quality

Designed with leading ELT experts and authors, our courses, assessments and certifications are internationally recognised and celebrated by industry experts, governments, universities and employers.

Demonstrate skills

Carefully paced courses and assessments empower learners to showcase and verify their growing skills.

Discover the courses, assessments and certifications suitable for your adult learners.

Global Scale of English

Fast-track your
learners' progress

The Global Scale of English (GSE) is the beating heart of Pearson English Journey. Designed to build confidence, the GSE helps you understand where learners are on their unique learning journey with unparalleled clarity.

The GSE is the result of extensive expert research. It extends the Common European Framework of Reference (CEFR) to assess different types of learner on a simple 10–90 scale.

With the GSE, pre-primary, primary, secondary and adult learners can pinpoint their proficiency in all of the four key language skills: speaking, listening, reading and writing. Teachers can then set personalized goals for every learner, guiding their next steps and accurately measuring their progress along the way.

It's the first of its kind. A truly global standard in English language learning.

Find out more about the GSE, get helpful resources and access the free teacher toolkit at pearson.com/languages.

Game changing digital learning from Pearson

✔ **Interactive Digital Experience**

Employability Skills

Pearson ELT Adult Education

Meeting the Challenges of Today's Adult Education

The **Workforce Innovation and Opportunity Act (WIOA)** places a priority on workforce, civic, and academic readiness at all levels and sectors of instruction, including adult English language acquisition programs. WIOA spells out a set of overarching program goals, including a greater emphasis on college and career preparation, technology integration in instruction, and cooperation and joint programming with employment training providers.

In this WIOA landscape, ESL programs need not only to help learners develop competence in reading, writing, speaking, and comprehension, but also develop the skills they will need to transition to postsecondary education or advance in their careers.

At Pearson, we understand that for English language learners to take full advantage of today's career and educational opportunities, they need to possess skills to understand complex language, read and process challenging texts, think critically, and problem-solve, as well as analyze concepts and apply them to new contexts.

In order to meet the WIOA educational goals, Pearson English adult education products are carefully aligned with the CCR and ELP standards, as well as the NRS educational functioning levels and the new Integrated English Literacy and Civics standards, to help adult learners achieve their educational, career, and life goals.

Digital skills are key to success

The WIOA's program goals require programs to integrate technology in instruction, recognizing that digital skills are essential to success. To meet the WIOA technology requirements, Pearson ELT adult English programs incorporate multimedia tools and technologies to help learners develop their visual and digital literacies. Our online and mobile tools offer flexible solutions for classroom instruction, blended and distance learning, and practice on the go.

The Global Scale of English Alignment to the Employability Skills Framework

The Employability Skills Framework, developed by the U.S. Department of Education's Office of Career, Technical, and Adult Education, is designed to support educators in understanding the skills necessary for students to be successful in the workplace and in their career pathways.

The Global Scale of English (GSE) is a standardized granular scale that measures English language proficiency. It identifies what learners can do at each level and demonstrates incremental progress in learners' language abilities.

The GSE forms a backbone for Pearson course materials and assessment.

An extensive research has been done to establish the relationship between the GSE and other scales and reference frameworks, such as NRS and CASAS.

And now the GSE is also aligned to the Employability Skills Framework to help educators in developing curricula that support language development with an emphasis on transference of high value skills for future employment.

Foundations

2nd Edition

Foundations is an all-skills, standards-based program for beginning-literacy and low-beginning learners of English. Its clear and easy-to-use format offers students a very basic introduction to English for essential lifeskill situations and builds a language foundation for students' future success at any course's Book 1 level of instruction.

- ★ Serves as the Foundations level for the Side by Side series.
- ★ Standards-based lessons align with CCRS and English Language Proficiency Standards, CASAS, BEST Plus assessments, and Integrated English Literacy and Civics Education (IELCE) objectives.
- ★ Consistent two-page lesson format is designed for ease of use.
- ★ Numbers lessons build students' numeracy and basic math skills.
- ★ Community tasks introduce basic civics topics.
- ★ Two workbook options with audio, an Activity Workbook and Literacy & Numeracy Workbook, provide solutions for multilevel classes.
- ★ Teacher's Guide with Tests and Multilevel Activity Book offers teaching strategies, multilevel expansion activities, tests, and worksheets for literacy, handwriting, number, and vocabulary practice.
- ★ The complete audio program is now available via free student access to the Pearson English Portal.
- ★ An Instructor Digital Resources access code provides all support materials, including the Teacher's Guide, Multilevel Activities, Testing Program, and worksheets for literacy, handwriting, number, and vocabulary practice.

SUITABLE FOR: Teens, young adults and adult learners

Side by Side Extra

Side by Side Extra is an enhanced version of this popular series that has helped more than 35 million students worldwide learn English through its proven communicative methodology, ease-of-use, humor, and playful activities. The course is well-known for creating dynamic interactive practice that leads to high student motivation and mastery learning.

- ★ The included Side by Side eBooks offer digital lesson pages with point-of-use audio for easy-access listening and speaking practice.
- ★ The eBook FunZone provides games, videos, and music for each unit.
- ★ **NEW!** The complete audio program is now accessible three ways for maximum flexibility – as embedded audio on eBook digital pages, as MP3 files available in the eBook, and through new access via the Pearson English Portal.
- ★ Expanded Activity Workbooks offer new Gazette and self-assessment activities in addition to popular features such as extensive listening practice and GrammarRaps (via audio on the Pearson English Portal).
- ★ **NEW!** Instructor Digital Resources for each program level provide a single online gateway to all teacher resources previously available separately, including Teacher's Guide, Testing Program, Picture Cards, and Communication Games.

Side by Side Plus

The standards-based **Side by Side Plus** series prepares students for their roles in the community, at school, and at work. The course develops students' career and academic readiness skills and promotes students' independent practice, virtual learning, and hybrid instruction using the included eBook version.

- ★ Standards-based lessons align with CCRS and English Language Proficiency Standards, CASAS, CASAS STEPS, BEST Plus assessments, and Integrated English Literacy and Civics Education (IELCE) objectives.
- ★ Teamwork, critical thinking, and community activities promote cooperative learning, problem solving, and civics connections.
- ★ Expanded readings about work, community resources, and lifeskill topics build career readiness skills and civics knowledge.
- ★ Language arts and writing process lessons offer basic academic preparation.
- ★ eBook provides digital lesson pages with instant audio access for lively and effective language learning.
- ★ **NEW!** The complete audio program is now accessible three ways for maximum flexibility – as embedded audio on eBook digital pages and as MP3 files available in the eBook and now through free access to the Pearson English Portal.
- ★ Activity Workbooks and Test Prep Workbooks can be used separately or together to expand all-skills practice and prepare students for standardized tests. Now featuring free access to all workbook audio via the Pearson English Portal.
- ★ **NEW!** Instructor Digital Resources for each program level provide a single online gateway to all teacher resources previously available separately, including Teacher's Guide, Multilevel Activities, Testing Program, Picture Cards, and Communication Games.

Future

English for work, life and academic success.

Future equips learners with the English language skills that help them achieve their career goals and more.

With one integrated digital and print program, Future meets the challenging demands of today's adult English education, addressing learners' diverse needs while building transferable workplace and communication skills.

Why choose Future?

- ★ Focuses on building workforce skills alongside English language proficiency with goals supporting the Workforce Innovation and Opportunity Act (WIOA).
- ★ Helps learners access new professional and academic opportunities by developing literacy and language skills identified in the College and Career Readiness Standards (CCRS) and the English Language Proficiency Standards (ELPS).
- ★ Challenges learners to analyze, evaluate, predict, infer and problem-solve with increased rigor built into all lessons at every level.

Second Edition: American English

SERIES CONSULTANTS:

Federico Salas-Isnardi

SUITABLE FOR: Adult learners

**NOW WITH
CASAS® STEPS
CORRELATIONS**

Skills for the Future

Future's curriculum closely aligns with **WIOA, NRS, English Language Proficiency, and College and Career Readiness Standards**. The skills and competencies are fully and seamlessly integrated in every lesson of the program, equipping learners with higher-order skills to help them achieve their personal, professional, and educational goals.

The new **NRS functioning level descriptors** are organized into three modalities:

Interpretive: Content-rich listening and reading activities develop skills to understand, process, and interpret written and oral language delivered in a variety of contexts and genres.

Productive: Engaging speaking and writing activities at each level challenge learners to produce meaningful spoken and written language in a variety of contexts, developing their productive skills.

Interactive: Future offers an abundance of interactive activities that allow learners to engage in conversations, discussions, and exchanges of ideas, as well as gathering and summarizing information.

The **CCR and ELP standards** are incorporated into the curriculum at every level, providing a foundation for academic rigor.

- ★ Reading, writing, listening, and speaking practice requires learners to analyze, use context clues, interpret, cite evidence, and summarize.
- ★ Regular practice with complex and content-rich materials develops academic language and builds knowledge.
- ★ Interactive activities allow for collaboration and exchange of ideas in both social and academic contexts.

Comprehensive alignment with CASAS competencies and goals

- ★ Functional language, authentic materials, and workplace and life skills develop core competencies, essential for work, life, and academic advancement.
- ★ CASAS-like practice tests online allow for extra practice and the development of test-taking skills.

Future integrates English literacy, civics, work, and life skill competencies in one program, empowering learners to become proficient communicators and active participants in their family, work, and community life.

Advance

Work Skills for Career Success

Course Overview

Advance: Work Skills for Career Success is an online course that can be used for self-study or led by an instructor or coach. The course provides the essential skills needed to meet the challenges of employment, re-employment, additional training, re-skilling and upskilling. It's a flexible modular course with easily accessible engaging content, authentic practice, and digital literacy skills practice as well as tools for building a personal portfolio to use for career progression. The course is project-based and focuses on problem-based learning with direct application to real world situations.

Throughout 8 Modules of the course learners will cover the following topics:

1

Self-Exploration

What do I need to know about myself to help me choose employment that is a good fit for me?

2

Career Exploration

Which in-demand career is a good fit for me and what do I need to do to meet its qualifications?

3

Career Plan

How do I meet my career goal?

4

Job Search

How do I present my qualifications in a way that matches the job that I want?

5

Work Culture

What are the characteristics of the U.S. work culture and how do I navigate them?

6

Interview Process

What strategies do I use throughout the interview process to obtain the job that I want?

7

Workers' Rights and Responsibilities

What responsibilities do I have to my employer and how do I fulfill them? What rights do I have and how do I advocate for them?

8

Upskilling

How can I improve my job performance in order to increase my employment opportunities?

Voices of Freedom

Voices of Freedom has helped hundreds of thousands on their path to United States citizenship. The course provides students with the language skills and civics knowledge needed for the citizenship test and naturalization interview. Our fifth edition now includes an eBook and mobile app, and provides practice for revised citizenship interview questions based on the new Form N-400 application for citizenship. Reprints in 2025 will also provide up-to-date information about the current administration.

- ★ Simple readings and hundreds of current and historic photographs present civics content in a context-rich and easy-to-read format.
- ★ Civics Checks offer practice with the 100 official citizenship questions.
- ★ Authentic dialogs and listening activities develop students' communication skills for success in the naturalization interview and spoken-English exam.
- ★ Civic participation activities enrich learning and meet Integrated English Literacy and Civics Education (IELCE) goals.
- ★ An included eBook provides integrated audio and tools for highlighting and note-taking.
- ★ A mobile app offers audio practice via smartphones.
- ★ An Activity & Test Prep Workbook provides supplemental reading and writing practice.
- ★ A Teacher's Guide offers step-by-instructions, expansion activities, and reproducibles.
- ★ Basic Civics for U.S. Citizenship is a new custom edition for English-proficient adult and secondary school students, offering civics test preparation for in-school use and self-study. (Available Spring 2025)

AUTHORS:
Bill Bliss

SUITABLE FOR: Teens, young adults
and adult learners

Basic Civics for U.S. Citizenship:

Basic Civics for U.S. Citizenship prepares students for success on the official U.S. civics exam. By weaving the official civics questions and answers into a brief overview, Basic Civics provides context for the content of the exam – the how and why behind the facts on the test.

Basic Civics for U.S. Citizenship is a customized edition of Voices of Freedom, Fifth Edition, designed for English proficient adults and secondary school students.

Project Success

Project Success is a six-level, four-skill series that teaches English by involving learners in real-life professional situations. This engaging video-based program is correlated to national standards and focuses on workplace skills and 21st-century digital skills to foster creative and critical thinking skills and promote self-directed learning.

Through inspiring stories of adults working and mastering life's challenges, the series illustrates the skills and competencies adult English language learners need to participate fully and progress in their roles at home, work, school, and in the community.

- ★ Innovative in response to adult learners' needs.
- ★ Integrates print and digital components to blend classroom and independent learning.
- ★ Uses a series of 170 videos to model the situational language, employment, and educational skills.
- ★ Video-based lessons model key competencies and allow students to experience a variety of workplace and personal situations in context, connecting learning to their daily lives.
- ★ ActiveTeach helps teachers prepare for classes, deliver media-rich lessons, and customize their teaching.
- ★ MyEnglishLab enables students to practice listening, speaking, reading, writing, grammar, pronunciation, practical skills, and job-seeking skills, and receive automatic focused feedback on their work.
- ★ Mapped to the Global Scale of English.*

Adult Courses
Academic Excellence & Skills

Achieve English academic excellence

We understand that learners have diverse strengths and weaknesses, and different goals. Our courses are carefully designed to help students develop the specific skills they need to succeed academically, whether it's mastering grammar, improving critical reading, or enhancing academic writing.

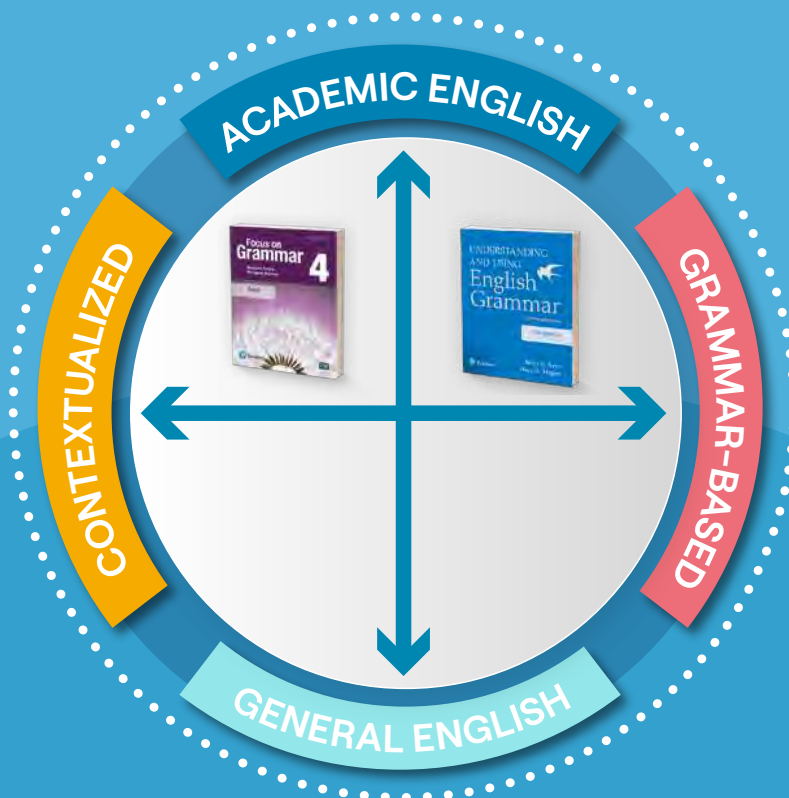

By focusing on individual needs and providing tailored content, we empower learners to achieve their academic aspirations.

**Pearson's Academic Excellence
courses include:**

Let's get to grips with grammar

In choosing the best book for your class, consider purpose and method

Choosing the Right GRAMMAR Book

Wherever you teach, choosing the best textbook for your class means considering two things: your students' **purpose** for studying English, and your preferred **method** for teaching language.

PURPOSE

Why are your students studying English?

ACADEMIC ENGLISH

VS

GENERAL ENGLISH

Some students' goals center on **Academic English**. They want to learn how to read and write academic texts and how to understand what they hear in the classroom and participate themselves.

Other students want more **General English**. They need to read, write, listen, and speak in a wide variety of contexts — everything from work to daily life.

METHOD

How do you prefer to teach language?

GRAMMAR-BASED

VS

CONTEXTUALIZED

Many teachers use a **Grammar-based** approach. They use grammar as the starting point and then build lessons around it. The grammar "drives" the development of language skills (reading, writing, listening, and speaking).

Just as many teachers prefer a **Context-based** approach. They choose relevant and engaging topics, then teach grammar and language skills through context situations.

Azar-Hagen Grammar Series

The world's most trusted grammar source

Easy-to-understand charts and carefully sequenced practice make this classic series the top-seller in its field year after year.

Why choose Azar-Hagen Grammar?

- ★ Clear, direct, and comprehensive instruction.
- ★ Engaging content practiced via all four skills: writing, speaking, reading, and listening.
- ★ User-friendly grammar charts with minimal terminology and easy-to-understand examples.
- ★ Contextualized exercises with themes relevant to students' everyday lives.
- ★ Practice informed by the latest advances in brain science.
- ★ Comprehensive online program for extra practice and self-study.

Fifth Edition: American English

AUTHORS: Betty Azar, Stacy Hagen

SUITABLE FOR: Adult learners

Focus on Grammar

Focus on grammar, focus on progress.

Centered on thematic instruction, Focus on Grammar combines comprehensive grammar coverage with abundant practice, critical thinking skills, and ongoing assessment, helping learners communicate confidently, accurately, and fluently in everyday situations.

Why choose Focus on Grammar?

- ★ Includes a unique and successful four-step approach for helping learners move from comprehension to communication.
- ★ Ideal for classroom assessment with tools including course diagnostic tests, formative and summative assessments and a flexible gradebook.
- ★ Reflects real, natural language and elicits target grammar naturally by incorporating the findings of corpus linguistics alongside its pedagogy.

Fifth Edition: American English

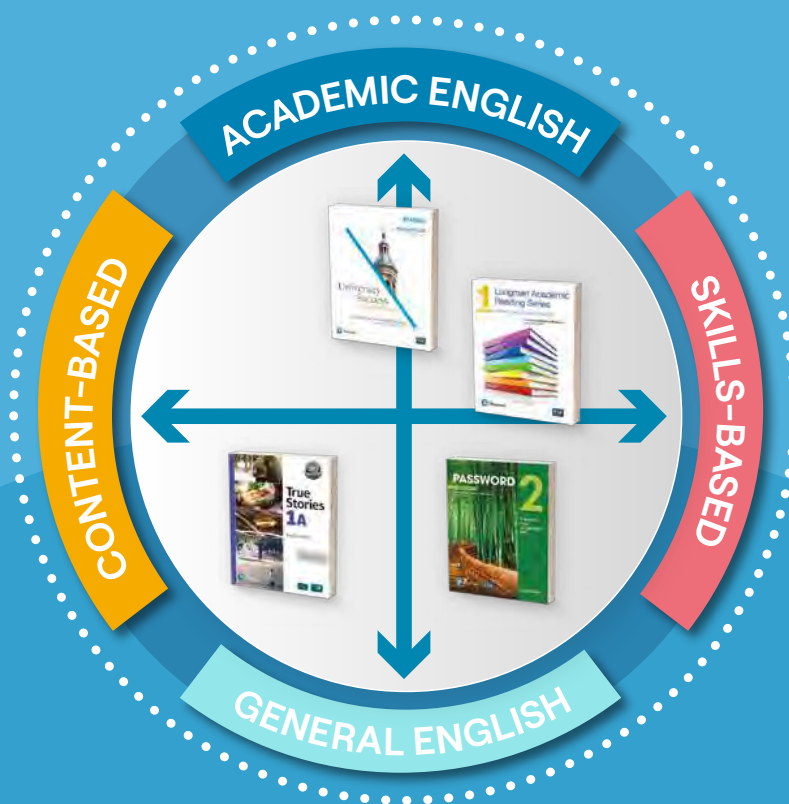

AUTHORS: Margaret Bonner,
Marjorie Fuchs, Jay Maurer,
Irene E. Schoenberg,
Miriam Westheimer

SUITABLE FOR: Adult learners

Let's focus on skills for
success

In choosing the best book for your class, consider purpose and method

Choosing the Right READING Book

Wherever you teach, choosing the best textbook for your class means considering two things: your students' **purpose** for studying English, and your preferred **method** for teaching language.

PURPOSE

Why are your students studying English?

ACADEMIC ENGLISH

VS

GENERAL ENGLISH

Some students' goals center on **Academic English**. They want to learn how to read and write academic texts and how to understand what they hear in the classroom and participate themselves.

Other students want more **General English**. They need to read, write, listen, and speak in a wide variety of contexts — everything from work to daily life.

METHOD

How do you prefer to teach language?

SKILLS-BASED

VS

CONTENT-BASED

Many teachers use a **Skills-based** approach. They start with a set of skills that students need to acquire and then build lessons around these skills.

Just as many teachers prefer **Content-based Instruction**. They choose relevant and engaging topics and then teach the language through this context.

University Success

Prepare for university success.

Designed for English language learners preparing for mainstream academic environments, University Success helps learners get ready for the next stage of their education.

Why choose University Success?

- ★ Helps learners master essential skills and gain confidence in studying academic courses taught in English.
- ★ Contains authentic lectures, readings and writing strategies created and delivered by professors from Stanford University.
- ★ Includes five distinct STEAM content areas: The Human Experience, Money and Commerce, The Science of Nature, Arts and Letters, and Structural Science.
- ★ The **Reading and Writing** strand fuses high-interest content with explicit skill development tied to specific learning outcomes and establishes the foundation for higher-level academic success.
- ★ The **Reading** strand provides real-life learning experiences that prepare students to become fluent, automatic, and competent readers who can achieve academic autonomy.
- ★ The **Writing** strand supports students through the writing process and moves them away from the production of highly structured essays.
- ★ The **Listening and Speaking** strand fuses high-interest content with explicit skill development tied to specific learning outcomes and establishes the foundation for higher-level academic success.
- ★ The **Oral Communication** strand provides real-life learning experiences for students who need to achieve academic autonomy.

True Stories

Silver edition with ebook & pop-up stories.

True Stories is a six-level reading series that provides entertaining stories and effective reading skills instruction to English language learners, helping them build language skills through a carefully paced, step-by-step process. It is appropriate for levels low-beginning to high intermediate. The Silver Edition consists of revised editions of levels 1-5 of the popular True Stories series, a favorite of teachers and students for many years. In fact, the original True Stories textbook was published over twenty-five years ago (hence the title "Silver" Edition). Now with new and updated stories, online components, e-books, and a fresh look, the True Stories series is still going strong.

- ★ A colorful new design.
- ★ A uniform unit structure that runs across all the books in the edition, making it easy for students to move seamlessly from one level to the next.
- ★ Audio recordings of every reading (accessed with the code on the inside cover of printed books or with the headphones icon in e-books).
- ★ Supplemental multilevel "pop-up" stories.
- ★ Digital Resources including answer keys, teaching tips, additional practice activities.
- ★ Pre-reading activities (including comic-strip drawings in Level 1) introduce the units visually to ease students into the readings.
- ★ Pre- and post-reading exercises develop vocabulary, reading, listening, writing, and speaking skills.
- ★ A structured discussion activity at the end of each unit prompts students to share their own "true stories."
- ★ Interactive activities for pair and group work are ideal for multilevel classes.

SUITABLE FOR: Adult learners

Longman Academic Reading Series

Reading Skills for College

The **Longman Academic Reading Series** is a five-level series that prepares English language learners for academic work. High-interest readings cover a variety of subjects, including art history, nutrition, American literature, and forensics.

The series takes a holistic approach to the skills and strategies necessary for effective reading, vocabulary building, note-taking, and critical thinking. By encouraging students to discuss and write about the ideas covered in the readings, the series helps them become better speakers and writers of English.

- ★ Rigorous, sophisticated, and comprehensive readings are based on academic sources, each carefully designed to provide different and intriguing perspectives on a theme.
- ★ Readings come from a variety of sources and genres — textbooks, newspapers, magazines, online articles — and are written by experts in widely different fields.
- ★ A corpus-informed approach to vocabulary helps students build vocabulary and acquire skills to become more confident in preparing for academic work.
- ★ New Essential Online Resources include reading comprehension activities, reading faster activities, teacher's manual and assessments, and audio of the readings. Level 5 only has audio of the readings.
- ★ Mapped to the Global Scale of English.*

Fifth Edition: American English

AUTHORS:

Elizabeth Böttcher, Kim Sanabria,
Judy L. Miller, Robert F. Cohen,
Lorraine C. Smith

SUITABLE FOR: Adult learners

Password

Reading and Vocabulary Texts 3rd edition

The five books in the **Password** series help students advance their reading skills and build a vocabulary of 2,000 high-frequency words and phrases. Research shows that at this point, most students can begin to read unadapted texts.

Now in a third edition with a fresh four-color design, Password's theme-based units include an updated mix of nonfiction readings and skill-development activities for reading, writing, and critical thinking. The series continues to feature vocabulary work that helps students understand, remember, and use the target words and phrases to build a solid foundation for both academic and career success.

- ★ Engaging new readings require and reward close reading.
- ★ Expanded array of exercises to enhance skills and help students better understand vocabulary and topics.
- ★ Critical thinking questions in each chapter add depth to discussions and help develop valuable cognitive skills.
- ★ Learning outcomes let students know the goals of each chapter and what their learning experience will be.
- ★ Essential Online Resources contain audio recordings of each reading, bonus activities for extra practice in timed reading and study skills, and the Teacher's Manual with unit tests, expansive answer keys, and prompts for quick oral vocabulary reviews.

Let's focus on skills for
success

In choosing the best book for your class, consider purpose and method

Choosing the Right LISTENING & SPEAKING Book

Wherever you teach, choosing the best textbook for your class means considering two things: your students' **purpose** for studying English, and your preferred **method** for teaching language.

PURPOSE

Why are your students studying English?

ACADEMIC ENGLISH

VS

GENERAL ENGLISH

Some students' goals center on **Academic English**. They want to learn how to read and write academic texts and how to understand what they hear in the classroom and participate themselves.

Other students want more **General English**. They need to read, write, listen, and speak in a wide variety of contexts — everything from work to daily life.

METHOD

How do you prefer to teach language?

SKILLS-BASED

VS

CONTENT-BASED

Many teachers use a **Skills-based** approach. They start with a set of skills that students need to acquire and then build lessons around these skills.

Just as many teachers prefer **Content-based Instruction**. They choose relevant and engaging topics and then teach the language through this context.

Adult Courses Academic Excellence & Skills

NorthStar

Get ready for academic study and the workplace of tomorrow.

An intensive, integrated skills course, NorthStar builds critical thinking and academic development alongside English language skills.

Authentic and compelling content engages learners while preparing them for the demands of college and university-level study and beyond.

Why choose NorthStar?

- ★ Challenges learners to move beyond basic comprehension to higher-level analysis with systematic application of Blooms Taxonomy practiced in every unit.
- ★ Helps learners develop and apply critical thinking skills in English for high-level academic courses.
- ★ Ideal for expanding English language learners' minds as each unit explores a different thought-provoking theme.
- ★ The Reading & Writing and Listening & Speaking strands are designed to challenge students to move beyond basic comprehension to higher-level analysis.

American English

SERIES EDITORS:

SUITABLE FOR: Adult learners

Contemporary Topics

4th Edition 21st Century Skills for Academic Success

Contemporary Topics expands on its highly respected approach to developing academic listening and study skills. Organized around realistic college lectures, the text guides learners through carefully sequenced activities in skills such as note-taking, focusing attention, intensive listening, and vocabulary building. It also helps students evaluate their interests and explore possible career paths.

- ★ Four new units per level, presented as one-on-one academic lectures, emphasize professional applications such as software engineering, multimedia design, information technology, urban planning, and social psychology.
- ★ Learning Outcomes listed at the outset of each unit let students know the goals of each unit and what their learning experience will be.
- ★ Audio interviews with topic experts provide context for the upcoming unit lecture.
- ★ Bottom-up listening and pronunciation exercises emphasize important principles and improve real-time perception.
- ★ An oral presentation activity, supported by specific preparation and delivery strategies, concludes each unit and includes the opportunity for peer evaluation.
- ★ Proficiency assessments composed of short academic audio lectures and multiple-choice exams simulate TOEFL-style test format for practice on high-stakes tests.
- ★ **Essential Online Resources** include audio, video, and teacher materials (assessments, teaching notes, answer keys, audioscripts, presentation points, and more).
- ★ Corpus vocabulary drawn from the Academic Word List ensures that students are exposed to core academic vocabulary.
- ★ Collaborative activities with presentation strategies and peer evaluations allow students to make connections and develop critical thinking skills.
- ★ Unit comprehension tests assess students' grasp of key concepts presented in the unit lecture.
- ★ Mapped to the Global Scale of English.*
- ★ Videos are between 5 to 8 minutes long.

Just as many teachers prefer **Content-based Instruction**. They choose relevant and engaging topics and then teach the language through this context.

Longman Academic Writing

Develop your writing skills from basic composition to academic essays.

The Longman Academic Writing Series helps develop student writing from basic composition of sentences and paragraphs to academic essays and research papers. At each level, students are offered guidance in the complete writing process from prewriting to revision, and are provided with clear explanations, extensive practice, and consistent coverage of sentence mechanics and grammar. The Longman Academic Writing Series has been enhanced with new digital resources, offering programs the flexibility to teach with the series in various learning environments.

- ★ Step-by-step approach helps students produce a well-organized, clearly developed portfolio that is the foundation of academic coursework.
- ★ Realistic writing models guide writers while clear explanations, supported by examples, help students through typical rough spots.
- ★ Extensive practice helps students assimilate writing skills to learn to write with accuracy and confidence.
- ★ Timed writing activities provide a plan for writing paragraphs on tests.
- ★ Interactive tasks, such as pair and group work, allow students to receive peer feedback on their individual writing.
- ★ Level 5 offers more advanced guidance in the writing of essays and research papers.

LEVELS

AUTHORS: Linda Butler,
Ann Hogue, Alice Oshima

SUITABLE FOR:

Young adult and adult learners

Ready to Write

This classroom favorite provides guided writing instruction, dependable strategies, and many opportunities for students to hone the composition skills they need to be successful in personal and academic settings.

- ★ Updated examples and model paragraphs illustrate organizing elements such as topic sentences, supporting details, and signal words.
- ★ Learning Outcomes let students know the goals of each chapter and what their learning experience will be.
- ★ Essential Online Resources contain the answer keys, plus additional activities for extra practice in grammar for writing with a focus on basic punctuation, writing mechanics, and paragraph structure.
- ★ Extensive practice activities and clear teachable steps guide students through prewriting, writing, revising, and editing as they move from personal (emails, journals, letters) to academic (essays, lab reports, analyzing data, college applications) writing.
- ★ Paragraph-writing assignments provide practice in various rhetorical writing types including narration, description, opinion, compare and contrast, cause and effect, and problem/solution.
- ★ Grammar for Writing presents key grammar points and practice to boost accuracy.
- ★ Varied contextualized writing assignments help students with real-life tasks.
- ★ Writer's tips help students work toward unity, accuracy, and coherence in their paragraphs.
- ★ Extended word banks help increase students' topic-based vocabulary.
- ★ Mapped to the Global Scale of English.*

Adult Courses
General English

Unlocking English Language Potential

Today's learners require English that reflects the real world.

At Pearson, we conduct ongoing research with teachers and learners to ensure our General English courses are relevant, engaging, and effective.

**Pearson's General English
courses include:**

Connectivity

Connecting people through English.

Prepare learners for using English confidently in work, studies, travel and life with Connectivity.

Suitable for young adults and adult learners, Connectivity features a communicative approach to activating new language and integrates it with soft skills development to increase employability.

Why choose Connectivity?

- ★ Prepare learners for using English in work, travel, studies and beyond using a cultural fluency syllabus.
- ★ The only course featuring captivating sitcom video, Connect TV, that engages learners with fun English content presented at their level, boosting their confidence.
- ★ Based on the award-winning methodology used in best-selling Top Notch and Summit courses that gets results and makes English learning unforgettable.

Exam preparation

**Empower your
students to achieve
exam success!**

Our Exam Preparation courses provide access to practice papers, real exam content, and expert guidance.

Equip your students with the confidence and skills they need to excel on their exams.

Pearson's **Exam preparation** courses include:

Longman Preparation Course for the TOEFL iBT® Test, 4th Edition

A comprehensive and meticulously designed course aimed at equipping students with the skills and strategies necessary to excel in the TOEFL iBT® test. Integrates extensive language training with abundant practice opportunities, ideal for dedicated TOEFL preparation or as a supplementary resource in general ESL courses.

This updated edition reflects the latest changes in the TOEFL iBT® test format, ensuring that students are well-prepared for all sections of the exam. Structured to provide a thorough understanding of the TOEFL iBT® test components, including reading, listening, speaking, and writing. Includes diagnostic pre-tests and post-tests to help students identify their strengths and weaknesses, and track their progress throughout the course.

Key Features

★ **Updated Content:** The material is revised to cover the new types of passages and questions on the TOEFL iBT® test, providing students with the most current and relevant practice.

★ **Diagnostic Tests:** Pre-tests and post-tests for each section (Reading, Listening, Speaking, Writing) allow students to gauge their initial performance and measure improvement.

★ Practice Sections:

- **Reading:** Exercises mirror the authentic length and difficulty of the TOEFL iBT® reading passages.
- **Listening:** Features academic conversations and lectures.
- **Speaking:** Includes personal, expository, and integrated tasks with up-to-date question formats.
- **Writing:** Comprises expository and integrated tasks involving reading, listening, and writing.

NEW

Expert Series

Expert preparation, expert exam success.

Why choose Expert Series?

- ★ Intensive test training for PTE Academic, Cambridge, and IELTS exams.
- ★ Builds confidence in speaking, writing, listening and reading skillsets.
- ★ Suitable for independent learning with digital resources.

BEST FOR: PTE Academic,
Cambridge exams, IELTS

Assessment

Versant by Pearson English Test

Quickly and easily evaluate your learners.

FOR LEARNERS AGED: 16+ years

Using advanced artificial intelligence and auto-marking technology, Versant by Pearson's tests accurately and reliably evaluate test-takers' ability to understand spoken and written language, and to communicate clearly and appropriately in that language.

Why choose Versant by Pearson English Test?

- ★ A reliable and consistent way to identify and track a learner's English skills before, during and after a course to ensure learning goals are met.
- ★ Reports and certificates that can be shared with learners.
- ★ Detailed performance summary for each skill plus overall ability.
- ★ Recommendations to help test-takers improve their skills.
- ★ Suggestions for skills practice in Pearson courses to aid lesson planning.
- ★ Optional remote monitoring to ensure test security.

One solution for a seamless testing experience.

Fast, efficient, AI-backed and easy to use, the Level Test is your ideal learner placement partner.

Level Test

Place new learners at the right level, fast.

FOR LEARNERS AGED: 14+ years

The Pearson English Level Test removes the time, stress and risk of human error involved in first day testing. It gives you the accurate, at-a-glance data you need to understand your learners' needs, both individually and as a group – so you can start supporting them and target your teaching right away.

With just a few basic set-up requirements, the Level Test can even be taken from home.

Why choose Level Test?

- ★ A fast, scalable way to place learners in the right class based on their CEFR half band and the GSE range.
- ★ An at-a-glance chart that shows learners how scores are distributed across the CEFR and GSE range.
- ★ High-level performance summaries for all four skills, for every learner.

Choose the Level Test (3 Skills) to test listening, reading and writing skills in just 20 minutes.

Inclusive Access:

The day-to-day reality

With the Pearson Inclusive Access model, students get course materials by the first day of class, at a significantly reduced price. It's easier. More convenient. Best of all, students can start learning (and faculty can start teaching) immediately.

Traditionally, 80% of students have been delaying purchasing required course content.¹

Experience your first term with Inclusive Access

The *student* experience

+ BEFORE THE TERM

Register for your course

- Tuition or fees include course materials—nothing more to do!
- See exact cost of course content & get substantial savings

+ DAY 1

Come to class with all you need to be fully prepared

- Save time you might have spent shopping around
- Start studying & learning immediately
- Always have anytime/anywhere access to the most current digital content your professor chose

STUDENTS START STUDYING SOONER
After The University of Iowa adopted Inclusive Access²

The *faculty* experience

+ BEFORE THE TERM

Choose course materials just like you do now

- Your students receive materials at a reduced price & get access to the content on or before the first day of class savings

+ DAY 1

Begin instruction knowing all students have required content

- Your students all start on an equal footing without waiting for financial aid, shipping, or more shopping around
- You can assign homework or pre-readings sooner
- Institutional impact studies document improved outcomes

INSTRUCTORS CAN TEACH MORE

"[Traditionally] at 3 weeks about 30% of students had materials. Now we're at 100% on the first day of class. Think about how much more content they're receiving..."

Stephanie Duguid,
Dean of Academic
Instruction,
Copley-Lincoln
Community College

**Equitable Access solutions are available.
Contact your sales representative for more information.**

The **student** experience

+ ADD/DROP DATE

Make your choice: it's up to you

- If you choose not to receive digital content by the add/drop date, you're not charged

FEW CHOOSE TO OPT OUT

+ ALL TERM LONG

Study anytime & anywhere with your digital content

- You can study wherever & whenever it's convenient—so you're more likely to succeed
- Early access & interactive content have been shown to improve success

The **faculty** experience

+ ADD/DROP DATE

Students focus on engaging with your course, not acquiring materials

- Opt-out rates typically very low
- Smoothly continue your flow of instruction, knowing that students have their content

+ ALL TERM LONG

Know exactly what students are & aren't doing, so you can adapt

Assess engagement via courseware reports and/or eText tracking

Continually track student progress

Optimize instruction & support for maximum student success

IMPROVED OUTCOMES

After adoption, Copiah-Lincoln Community College measured:

- +8% graduation rates
- +10% retention rates
- +17% gateway math student success rates
- 68% average student savings (vs. conventional prices)

52% of English
Learners lack
confidence in their
speaking skills
